

ComicCraft - AI Comic Story

****Panel 1****

- * ****Scene Description:**** Leo is sitting on his bed in a dimly lit room, holding an ancient, leather-bound book that is glowing with a soft, golden light. Dust motes dance in the air around him.
- * ****Dialogue:****
 - * ****Leo:**** "Grandpa said this was special, but I didn't think it was **glowing**."

****Panel 2****

- * ****Scene Description:**** Leo opens the cover. Suddenly, a beam of sparkling blue and gold stardust shoots out of the pages, swirling upward toward the ceiling.
- * ****Dialogue:****
 - * ****Leo:**** "Whoa!"

****Panel 3****

- * ****Scene Description:**** The stardust forms a swirling portal above Leo's bed. Out of the portal pops a tiny, glowing dragon wearing a tiny wizard hat, flapping its wings rapidly.

* **Dialogue:**

* **Mini-Dragon:** "At last! Freedom! Wait... are you my new wizard?"

Panel 4

* **Scene Description:** Leo looks completely astonished, his jaw dropped, staring at the tiny dragon hovering in front of his face.

* **Dialogue:**

* **Leo:** "I was just hoping for a bedtime story, but... this is way better."

Panel 5

* **Scene Description:** Leo smiles broadly and holds the book open wider. The mini-dragon does a loop-de-loop in the air, leaving a trail of glitter.

* **Dialogue:**

* **Leo:** "So, what adventure are we reading tonight?"
